

IDEATIONS

Date	15 November 2022
Team ID	PNT2022TMID05673
Project Name	Emerging Methods for Early Detection of Forest Fires
Marks	4 Marks

Ideation is often the most exciting stage in a project, since it aims to produce a huge number of ideas that the team can then filter and trim down into the finest in order to inspire new and better design solutions and products. Here are some suggestions that occurred to us in response to the stated challenge.
